Mock Up:

The mockup shows a web browser window titled 'BestPlaces' with the URL 'http://bestplaces.de/'. The page layout includes a dark sidebar on the left with the 'BestPlaces' logo, a user profile icon for 'Max Mustermann', and navigation links for 'Edit User Data' (active), 'Log out', 'Timeline', and 'Favorites'. The main content area is titled 'Edit User Data' and contains six input fields: 'First Name', 'Last Name', 'Hometown', 'Old Password', 'New Password', and 'Confirm new Password'. At the bottom of the form are 'Cancel' and 'Save Changes' buttons.

Feature File:

```

Feature: Edit User Data of BestPlaces Account

  As a User
  I want to change my user data

  Scenario: Change Something
    Given I am signed up
    And logged in
    When I press "Edit User Data" Button
    And I see "Edit User view"
    And I change my hometown from "Kallsruhe" to "Durlach"
    And I press "Save" Button
    Then I should see a "success notification"
    And my changes should be saved
    And I should get navigated to the "Timeline"

  Scenario: Change Nothing
    Given I am signed up
    And logged in
    When I press "Edit user data" Button
    And I see "Edit User View"
    And I change nothing
    And I press "Cancel" Button
    Then I should get navigated to the "Timeline"
  
```
